

Deadline 2pm Mondays

The Cobar Weekly staff appeals to all advertisers and contributors to strictly adhere to our 2pm Mondays deadline.

Creating a newspaper can be a complicated process, with many people working together to create the final product. The process of collating all material for the newspaper takes time, and when advertisers do not meet the deadline, it has a flow-on effect which can affect the entire process and ultimately delay the newspaper's production.

When you send an advertisement via email or fax to *The Cobar Weekly*, it is good practice to follow it up with a phone call to make sure the information arrived without any problems.

If you do have to make any last minute minor changes to your advertising, don't hesitate to call the office at your earliest possible convenience and we will do our best to accommodate the changes.
